GREENVILLE COUNTY
SOIL&WATER
CONSERVATION DISTRICT

Conservation Education Mini-Grants
Application Form

Criteria, Eligibility, and Timeline: Organizations and individuals in Greenville County (for example teachers, schools, non-profits, parks, etc) are eligible to apply for this mini-grant ($250 up to $500) for conservation projects and/or youth environmental education initiatives. Project work and the expenditure of funds must be completed by end of current fiscal year (June 30).

GCSWCD also offers up to $750 in cost share dollars for the School Gardening for SC Educators program. Please note this program in the project overview below if requesting this cost share funding. *All program requirements/trainings must be completed before funding can be distributed.*

Applicant's name and title/position:

Organization:

E-mail address: Phone #:

Supervisor or equivalent's name:

Supervisor's Signature: _____

1. Project Overview: Describe the proposed project and how it promotes natural resource conservation and education.

2. Project Budget

   Amount requested: _____

Item	Unit Cost ($)	Quantity	Cost ($)
		Total ($)	

3. Funding: If your project will cost more than $250 (the maximum amount of the mini-grant), how will the rest of the project be funded?

4. Project timeline: Describe your project's timeline.

5. Student Involvement:
   a. How *many* students will be involved with this project? List by grade.

   b. *How* will students be involved with this project?

6. Collaboration: Describe if and how other faculty members, staff, parents, project mentors, or community volunteers will be involved with the project.

7. Educational Outcomes: How will this project enhance student and/or adult learning?

8. Optional Supporting Materials: You are welcome but not required to submit photographs with captions, letters of support, or other materials demonstrating why your project deserves to receive a Conservation Education Mini-Grant.

Send application and any optional supporting materials to:
